

2 jaws parallel-acting self-centering pneumatic gripper series GM

- Double acting.
- The rugged construction lends itself to heavy duty applications for a trouble free long life without maintenance.
- Wide choice of stroke and gripping force.
- The gripping force is constant on both directions along the total stroke.
- Flat profile.
- Easy fastening by through holes on the flange.
- Stroke adjustment.
- Optional proximity magnetic sensors.

Quick #	Model	F (lbf)	s (mm)	m (g)	\$
